Action Plan for Gender Sensitization 2021-22

Vaish College, Bhiwani is a premier Institute which always tries hard to provide a safe and secure environment to its Girl students as well as staff members. Various Units have been constituted which are involved in creating awareness and disseminating information and knowledge among faculty and students.

The National Service Scheme (NSS) and National Cadet Corps (NCC) has been a staunch advocate for the promotion of gender equity and women's empowerment. Both units always tries to organize a series of events and initiatives to celebrate and honor women's contributions to society. There is separate wing of Girls' student in NCC and equal representation is given to girls' student in NSS also.

Women and Beti Bachao Beti Padhao Cell of institute functions for betterment of women. The cell organized various competitions and activities for girls. Every year the cell is committed to organize programme that are related to gender discrimination and sensitization.

Besides Women cell the Institute has constituted a number of committees to eliminate gender biasness and ensure equal opportunity to girls like Students study Circle; Legal Literacy cell; Career Counseling Cell; Passport Making Committee; Anti-Sexual harassment committee; Anti-ragging committee.

Girls' Common Room and Girls' welfare Committee have a close eye on the facilities available in Common-Room and necessary action will be taken if found any lacuna.

There is a long list of programmes and measures which have taken place during the session.
