Date *18/08/2020*

Future plan for the session 2021-22

Vaish College, Bhiwani always tries hard to be one of the best Institutions, providing the best quality education. Advisory board, IQAC and Management Vaish College, Bhiwani all collectively work tirelessly in this direction. They have finalised a draft plan to be implemented for session 2022-23.

1. To Enhance Surveillance through installation of latest CCTV cameras.
2. To renovate computer labs.
3. To purchase more computers and their installation in various department.
4. To renovate Library and making it more accessible and reader friendly.
5. To purchase Iron racks and shelves for proper sorting and arrangement of books.
6. To purchase the latest software for smooth functioning of Library.
7. To Install Solar Power plant to make campus self reliant in terms of energy and generation.
8. To develop Rain Water Harvesting system as a step towards sustainable development.
9. To renovate Science block and labs providing more facilities in terms of apparatus and equipment for experimentation.
10. To renovate canteen providing more space and facilities to students for relaxation.
11. To renovate Girls' Common room in term of safety, security and hygiene.
